Sir:

To supplement the eIDS submitted this day, please include the following to the
INFORMATION DISCLOSURE STATEMENT:

Enclosed is a copy of two (2) pages of a recently uncovered non-patent, non-patent-application document that should be attached to the eIDS, which was electronically submitted on 4/28/04.

Also enclosed is a copy (2 pages) of that already-submitted eIDS for reference.

DISCUSSION

The referenced product was found, recently, long after filing of the present application, and it was, therefore, unknown to the applicant or his attorney prior to application.

"The Official National Table Football League Game" is obviously **not** a mouse pad, although it states merely that it is made out of the same material. Its size prevents its use as a mousepad and, therefore, does not have a bearing on the present invention/application.

It is unclear when the item was first sold, and the applicant and his attorney have not located more information about the product.

Respectfully submitted,

Edwin A. Skoch
